

RIVERTON GOLF CLUB MEMBERS
Welcome to 2018

Hello Friends,

2017 was a very tough year for the Riverton family with the passing of our dear friend Joey Radell. Joey loved the game of golf; but what he loved more was the camaraderie. Joey had fun, always, no matter how he was playing. That's something we can all learn from Joey. So, our goal for 2018 is to play as much golf as we can and enjoy it more- take some time to stop and smell the roses. Joey loved the schamble tournament- we are going to use that tournament to do a fundraiser for his son Cooper's college fund.

2017 also brought with it lots of rain, so much rain that even Randy and Doc missed some days. It was also the first year the cross country got canceled (not the Bloody Mary's, just the golf).

2018 marks the 40th season that the DeMino family has run Riverton Golf Club for the Town. I am looking forward to making this year one of the best. This will also be the first full season of disc golf, we are working on an incentive for bringing in new players/members so keep that in mind! There is even talk of a mixed ball/disc golf tournament- oh my!!

See you soon,

Jim DeMino
